

TERRI BRITT

FORMER MISS USA | ENERGETIC HEALER SPEAKER | AUTHOR | SPIRITUAL COACH

Just prior to winning Miss USA 1982, Terri Britt put her fist in her boyfriend's window. She carried her emotional angst into the television industry and then as a wife and mom. Terri made a decision to heal and discovered where her pain stemmed from: she had been performing her whole life to win love and approval. Terri said "No more!" to performing and "Yes!" to loving herself first, and then miracle after miracle showed up. Her relationships healed, her friends and family began loving themselves, too, and Terri discovered her deepest passion. For nearly 20 years as a spiritual coach, energetic healer, author and speaker, she has been helping women shift their vibrations and raise their Worthiness Quotients to inner and outer abundance. In her newest e-book, Women Leaders of Love: How to End the #1 Massive Mistake Women Make & Unleash Your Greatest Act of Service, Terri explains the importance of women loving themselves first and says, "We women have the power to create immense change in our lives, homes, workplaces and the world. We claim that power when we stop performing and become Women Leaders of Love."

Bringing More Joy To Your Life So Others Can Watch You & Learn!

Women have become adept at ignoring the cries of their own hearts, believing that performing and working oneself into the ground, trying to *get it right* and *do it right*, is the road to love, success and fulfillment. But this attitude only creates pain and suffering not only for women, but also for the people they care about and love.

Terri Britt understands the heart of women and how to clean out the emotional chaos that keeps them on the hamster wheel of stress and struggle. As a master storyteller, sharing her own experiences, Terri takes you on a roller coaster ride of laughter, joy and tears. You will find yourself dancing in the aisles one moment and in deep meditation the next as Terri guides you to STOP the performance and step into your greatest calling as a Woman Leader of Love, creating a life of peace, passion, balance and fulfillment.
